Rádhá's Devotion

Taking His refuge means merging one's egotistic vanity in Him. The attainment of Brahma is difficult for those who want to work out the profit and loss of "what shall I get out of this attainment." If a person, while going to surrender himself or herself to Him, is conscious of his or her petty ego's profit and loss, then how can he or she dedicate his or her petty ego to Him? His or her worm-eaten mental flower shall not be worthy of worshiping the Lord. Entertaining no desire for sensuous happiness one has to surrender oneself to the waves of the essential flow of that inscrutable Supreme Fountainhead, Brahma. This total dedication – this self-surrender is the sentiment of Shrii Rádhá (the personified Love Sublime), her sole world.

"Gopiigañ kare yabe krśńa-darshan;

Sukha-váñcá náhi sukh páy kotii guñ."

"Gopii darshane Krśńer ye ánanda hay;

Tadapekśá kotii guñ gopii ásvádaya."

–Caetanya Caritámṛta

[Endless joy unsought-for lies

When Krśńa's sight fills Gopii's eyes.

The sight of milkmaids, Krśńa's joy,

Multifold more do they enjoy.]

A selfless devotee, bathed in the purity of devotion, wants nothing for himself or herself. He or she wants only Parama Puruśa in exchange of his or her own self. At the time of merger as he or she identifies himself or herself with Him, he or she tastes of the boundless bliss. The pleasant waves of sensation take place in the psychic body of the Supreme Entity on getting back His devotee in His own state of Consciousness, are a lot more in evidence in that of the self-immolating sádha.

Dear Brothers and Sisters,
Namaskar,

It is my great pleasure and honour to publish the regular Mahavishva Newsletter on behalf of the Hong Kong Sector. This newsletter reflects the sincere efforts, devotional service, and inspiring achievements of our workers and Margiis throughout the sector.

By Bábá's grace, the Hong Kong Sector is steadily advancing in pracara, service, spiritual practice, and organisational development. New people are joining the path of Ánanda Marga, new fields are opening, and our activities are expanding across different countries and regions. Through conferences, spiritual gatherings, Master Units, service projects, and regular programs, we are trying our best to carry Bábá's universal teachings to all.

It is encouraging to see the growth of projects such as Ánanda Suruci MU in Taiwan, Ánanda Karnika MU in South Korea, and Ánanda Shivanii MU and Ánanda Annapurna in Russia. These centres are becoming important nuclei for spiritual practice, service, and collective inspiration.

From Taiwan to Japan, mainland China, Mongolia, Central Asia, South Korea, and Russia, we are witnessing increasing interest in Ánanda Marga philosophy and practice. More people are coming closer to Bábá's ideals, and our workers and Margiis are spreading His mission with sincerity and dedication.

I sincerely hope this newsletter will inspire all readers and reflect the growing collective spirit of the Hong Kong Sector. Let us continue moving forward unitedly with sadhana, service, sacrifice, and devotion to our beloved Bábá.

With regards and best wishes,
In Him, Yours Sincerely,

Ác. Shubhaniryananda Avt

Namaskára,

It's a great honour to share my feelings through Maháishva.

By His Grace, all Didis in Hong Kong sector have been working very hard to establish Bábá's mission through organising different activities around the sector as well as doing a lot of pracar work.

BÁBÁ said through all works, big or small, Humanity has to be awakened.

His great mission is moving towards self-liberation and service to the suffering humanity by doing different types of socio-spiritual online & offline activities.

Wish you all, all-round progress.

Thank you.

In Him,

Avtk. Ánanda Kalyánashrii Ác.

So inspiring to see all Margiis, LFTs and WTs celebrating the 105th birthday of our beloved Bábá on the occasion of Ánanda Purnima. Our WR Camp, GV Camp, Sectorial Conference and RDS were also very inspiring for all who attended.
